➤ ***The Index***

Weekly journal. Published in London. First printed on May 1, 1862, *The Index* gives us a fascinating, if incredibly biased, glimpse of what our British neighbors were thinking while we Yanks bitterly fought it out during our nation’s first and only civil war. A journal of politics, literature, and news that aligned itself exclusively with the Southern cause, *The Index* was “devoted to the exposition of the mutual interests, political and commercial, of Great Britain and the Confederate States of America.” Its pages contained the “latest direct intelligence from the South, private letters from the Southern and Northern states, leaders on topics of interest, foreign correspondence, the cotton and dry goods market, reviews of books, Confederate state papers, magazine articles, gleanings from the Northern and Southern Press, Southern Statistics, etc.” The publication made its final appearance on August 12, 1865.

Collection Coverage Date: May 1, 1862 - August 12, 1865

➤ ***The Indicator***
